

Great Being Home

Great Being Home is a homeownership program serving employees of participating Green Bay employers, including City of Green Bay employees.

As an eligible buyer, you could receive a \$5,000 grant in addition to other assistance programs for which you may qualify (up to \$10,000). While this program serves as a benefit for City of Green Bay employees, it will also assist with increasing awareness and resources for homeownership, increasing homeownership rates within the City, and strengthening our City neighborhoods.

Program Requirements:

- Must be a City of Green Bay employee.
- Purchased home must be located within the City of Green Bay.
- Applicants must complete pre-purchase education and counseling provided by NeighborWorks Green Bay and comply with other program requirements prior to receiving assistance.
- Grants may be used for down payment and closing cost assistance and to fund home repairs needed to be completed prior to closing.
- Purchased home can be an existing home, new construction or 1-2 units.
- Purchased home must be owner occupied and serve as the primary residence of the buyer.
- For buyers above 80% of median income, purchased home must be in a Qualified Census Tract.
