Personal Documents

The documents available are filtered by state:

State: **— Please select —** Filter by:

6. Scroll down to the last section on that webpage entitled “Wills”. Select the type of document you want to work on, e.g, “Last Will and Testament for a Married Person.” Click on **“Get Started.”**

7. This will direct you to the page for that type of document. Select **“Start now.”**

8. Next, you will be prompted to login/register. **Note:** You will need to create a new username and password for the Personalized Legal Center.

9. Once you have registered, you will then be directed to the legal document/template. Select “View tutorial” for more in depth instructions or select “Get started” to begin.

10. Complete all questions, the document has step-by-step instructions for guidance.

- You will see your document being created during the process.
- Come back any time to edit and finish
- Once finished, follow the instructions for making your will valid
- All documents are accessible in your My Documents 24/7.

11. Refer to the Legal Information tab for articles, legal definitions, tips, Q&As and more.
